COURSE DESCRIPTIONS:

Expungements: Now that the massive change in expungement law is a few years old, this class will build on and discuss how to implement and deal with the flow of data related to expungement from demands for return of booking data under Minn. Stat. 299C.11 to responding to requests for expunged data. We will work through forms, checklists and work flows Rick Hodsdon has developed to deal with adult expungement cases. This class is geared to all criminal justice professionals and any other entity that is impacted by adult expungement statutes and case law.

INSTRUCTOR:

Richard Hodsdon has spent all his professional life representing and defending state and local officials, conducting criminal prosecutions, training and advising criminal justice and government officials. Rick has spent 8 years as a special assistant Minnesota Attorney General, a year in private practice and over 30 years as an assistant county attorney for Washington County Minnesota. Rick has been legal counsel for the Minnesota Sheriffs' Association since 1987.
